

Dear Ryan :

Congratulations! It is with great pleasure that I inform you of your qualification for membership in the most prestigious Computer Engineering Honor Society, Upsilon Pi Epsilon. Your consideration for entrance into this society was based solely on your scholarship and outstanding academic background. Among other criteria, you were selected for membership by being in the top third of your CSE class.

The Upsilon Pi Epsilon Association was founded at Southern Methodist University as Kappa chapter for students and faculty who exhibit superior scholastic and professional achievement in the computing science curriculum. It remains the only National Honor Society for the computing and information disciplines and is recognized as such by the Association for Computing Machinery (ACM) and IEEE Computer Society. In 1997, Upsilon Pi Epsilon was admitted as a member of the Association of College Honor Societies - the parent organization for all academic honor societies in North America. You can learn more about UPE from its website at <http://www.acm.org/upe>.

Membership into Upsilon Pi Epsilon requires a one-time fee of \$70.00, \$60.00 of which will go directly to the International Association and includes the cost of the lifetime membership fee. Each member will receive a membership certificate and a carat clad Recognition Key (lapel pin) to signify membership. Graduating students may also purchase a UPE stole to be worn with commencement regalia.

ACM now provides free ACM student memberships to active members of UPE for one year, which includes subscriptions to Communications of the ACM, ACM's Digital Library, and more.

To accept your invitation into the Southern Methodist University Chapter of Upsilon Pi Epsilon, please reply to an email you have received, if you haven't already, no later than April 17, 2015.
