Dear Professor Madrigal:

We would like to form a chapter of Upsilon Pi Epsilon here at Southern Methodist University.   As we have communicated via email, we are aware that Professor Korfhage originally initiated this chapter in 1984. Dr. Korfhage subsequently left SMU and no further action was ever taken, although you have designated us as the Iota chapter. Unfortunately, we could not find any past documentation of Dr. Korfhage's initial communications with you so we are attempting to reactivate the chapter.

Please find attached a check for a new chapter fee in the amount of $750 and a copy of the proposed by-laws for the Iota chapter.

Sincerely,

Mitch Thornton
